Organic fresh Italian bee pollen

Product description

Bee pollen looks like little grains with different shapes and measures (usually spherical) and it is composed of the pollen from a variety of flowers and plants. Pollen is the apiculture by-product with the most balanced composition and is very rich in useful substances for our body. Conapi has adopted a new and forefront production technique for fresh bee pollen. Thanks to the use of controlled atmosphere during the packaging process, the nutrition characteristics as well as the sensory ones are excellently preserved. Bee pollen can be used alone, melted in the mouth. It can be used dissolved in water, fruit juices teas and infusions. It can be also used in the preparation of biscuits, cakes, side dishes and salads.

Ingredients list

100% organic fresh Italian pollen.

Expiration date and conservation

6 months from packaging date. Store in fridge (0-4°C)

Hemp seed Oil

Product description

Crudolio cold pressed, organic and vegan hemp seed oil is obtained from the seed of Cannabis Sativa plant. Carefully selected for its many benefits and qualities, the most important is the presence of omega 6 - Omega 3 polyunsaturated fatty acids. Hemp seed oil contains remarkable amounts of Vitamin E, phytochemicals and cannabinoids, as well. Fibers, mineral salts, precious trace elements (calcium, potassium and magnesium) and carbohydrates make it an even more complete supplement with a significant energy profile. Its pleasant flavor recalls hazelnut and it is recommended to use it raw, in order to preserve intact the extraordinary nutritional qualities and therapeutic virtues. Ideal for accompanying salads, cereals, soups and pasta.

Ingredients list

Hemp seed oil.

Expiration date and conservation

18 months. Store in a cool and dry place, away from heat and light sources.

Packaging

Green glass bottle, 250 ml.

Certifications

Organic certification (Cepb), vegan certification (Vegan Ok), quality certification (IFS).
